

From the Principal

It has been so great being back and seeing how much the children have grown and what has been happening during the first half of the term.

To all the Parents and Staff I would like to say thank you for an amazing and fantastic Open Day. We believe we had over 600 people visit us and we received many comments on the wonderful atmosphere and environment we were able to provide for the day and could be seen as part of our program. We had a very big team of people doing a marvellous job in whatever portfolio they chose led by Pieta Shirvington-Daly. The wonderful day is a credit to all of you. As a big thank you to everyone, next Friday 6th June, there will be a Principal's morning tea at 11.00 am for all involved in the before, during or after of this great day. No need to bring anything, just yourself. We would appreciate an RSVP to assist with catering.

Please keep your eye on the noticeboard as we have parent-teacher conferences about to happen. If you are unable to come in on the day, we can mark your name down for a phone conference or another afternoon. With the term almost over, we hope to have a chance to catch up with every family so please ensure you have written your name.

Can I also ask you to look through the whole newsletter even if you think you have read it in a previous newsletter. This is our main means of communication and we have had a few parents complain that they didn't know something was happening that has been placed in the newsletter. Some even comment that they don't bother to read the newsletter. The fact that you are reading this indicates you are not one of them but please pass the message on to other parents on the importance of using this tool as a means of communication.

Carmen

We are very excited to announce

that we are now in a position to install air conditioners in the classroom and reception area. With some recent donations, building fund donations and money raised on the Open Day we have sufficient funds to be able to install these. While only a few weeks to go until holidays we are still hoping to have them in before we break. Many thanks to everyone involved in helping us achieve this. It will certainly make our time here a lot more comfortable and coat free.

ROAD SAFETY

We have had a few complaints against the parents at our school regarding pedestrian and car road safety. Please remember that young children are unpredictable and rely on your care to be safe. They are watching you to learn attitudes and approaches for the future, whether you are their parent or not.

THIRD YEARS

This is a reminder that if your child is more than 10 minutes late you need to sign a late note with reasons, which the child must bring in with them when they enter. Please do not hand them in to Suzanne. All late times are accumulated to determine how many absent days are marked down. Please note that waiting on the street to be able to get into the car park is not a valid reason to be late. There are parking spaces on the street.

Raffle Ticket Payment Due

\$100.00

Major Auction night and raffle.

Each family is required to pay for two books of tickets for the raffle each year. You can then sell them to others or buy the books yourself. This was included in your invoice last year. The raffle tickets will be printed and placed into all parent pigeon holes before the Auction Night.

Each family is also expected to source a prize for the auction or raffle of approximately \$100 in value. Anyone having any difficulty can talk to the Fundraising co-ordinator Gemma Crabtree to source previous supporters.

Parent Teacher Conference June 12-21

Parent Teacher Conferences are here again the signup sheets are on the noticeboard.
If the date or time is not convenient, please see your class directress for another interview session
